

YOU'RE INVITED TO ATTEND LAKE SMART TRAINING FOR PROPERTY OWNERS

Do your part to protect your lake by taking advantage of this **free** training. You will learn how to landscape and maintain your property to minimize impacts to the lake by using DEP approved best management practices. Learn how you can qualify for a **LakeSmart** award and how your property can be used as an example by other property owners in your lake's watershed. See if the practices you are currently using on the land are good for the lake.

There are five classes offered this

Session# N0446, Lyman, June 26th, 2004, Lyman Elementary School
